

I. CHECK LIST FOR THE APPLICATION FOR NOC /PERMISSION FROM KGA

WITHDRAWAL OF GROUND WATER FOR INDUSTRIAL/ INFRASTRUCTURE PROJECT

1. Whether the Application is submitted in **duplicate**?
2. Whether all items/Columns are **duly filled up**?
3. Whether **communication address** is furnished accurately?
4. Whether **approved** site plan and location map attached?
5. Whether the land use details furnished in application and approved plan area/ other documents mentioning total area are tallying?
6. Whether the land area mentioned is in **absolute ownership of the proprietor**?
7. Whether a document in **support of land ownership** is enclosed?
8. Whether it is a new project / project under expansion /or existing one?
9. Whether detailed hydro geological report is furnished with **all relevant and site specific** information?
10. Whether Rainwater harvesting feasibility /Artificial recharge proposals report enclosed
11. Whether proof in respect of water supply from /Grampanchayat/ or any external water supply agency enclosed, **if water supply is committed.**
12. Whether **proof** enclosed, **if water supply denied** by Government or private agency?
13. **Whether acknowledgement in response to the submission of request for water supply** from government/ private agency is enclosed?
14. Whether the **net water requirement and break up of freshwater requirement is tallying**?
15. Whether proper **water balance chart** enclosed?
16. In case of Industries, **flow chart indicating Re- use of recycled water (ETP/STP)** is enclosed?
17. Whether **ground water quality and its suitability** report enclosed?

18. Whether treated effluents/Sewage quality is as per **SPCB norms**?
19. Whether CFE/ approval letter of state government agency **approving the infrastructure Project is obtained and** Copy enclosed; if not reason cited for there of.
20. Whether **Referral letter** from MoEF/SEIAA or any statutory agency **obtained**? If not reason there of?
21. Whether copy of a **referral letter to obtain NOC from KGA/KGA** is enclosed?
(Reference letters from statutory agencies like SPCB/MoEF/SEIAA)
22. Whether **fresh application or renewal** of earlier application?
23. Whether the application has been **rejected by KGA** any time?
24. Whether the application is **duly signed with date**?

II. CHECK LIST FOR APPLICATION FOR RENEWAL OF NOC

1. Whether the Application is submitted in **duplicate**?
2. Whether **copy of previous NOC** issued by KGA is enclosed
3. Whether there is a change in the quantity of ground water withdrawal? **(if additional quantity is required / to be pumped out, fresh application for NOC needs to be submitted.)**
4. If not, whether all items/Columns are duly filled up?
5. Whether communication address is furnished accurately?
6. Whether **approved** site plan and location map attached?(incorporating the plan of **further expansions , if any**)
7. **If there is any change in the activity** after obtaining NOC, **whether description of the activity** is furnished clearly?
8. Whether **description of activity, in case of change** after obtaining NOC, is furnished?

9. Whether enclosed the Hydro geological report contains all latest relevant and site specific information in respect of **change in grounds water regime and quality after execution of the project?**(along with maps)
10. Whether details of **change in land use details in the project premises, if any, after execution of the project** is furnished?
11. Whether **detailed compliance report** on the stipulated conditions laid down in the NOC issued to the firm by KGA is enclosed?
12. Whether **detailed design of ground water abstraction structures** (Borewells/ Openwells/ Dugwells) present in the project premises is enclosed.
13. Whether **detailed report on Rainwater harvesting Artificial recharge proposals** implemented including the design aspects is enclosed?
14. Whether **photographs or other proofs in** support of compliance including photograph of panoramic view of the project site with all RWH/AR structures labeled in it is enclosed?
15. Whether the application has been rejected by KGA any time?
16. Whether the application is duly signed with date?
